### WHO WE ARE...

**Our Mission:** Samaritan Village exists for the purpose of implementing the Great Commission of Jesus Christ to go into all the world and preach the gospel, by providing physical, mental and spiritual care for orphaned children in Tanzania, Africa.

**Our Vision:** Samaritan Village is a private, non-profit organization established and run by volunteers to develop, expand and maintain a Christian orphanage to care for abandoned and orphaned children.

**Our Goal:** We work to reduce the number of abandoned children and the deaths of children in Tanzania by providing care for those whose parents have either died or abandoned them and who have no relatives responsible for their care. This is accomplished by providing a safe and stable Christian home environment where children are provided food, shelter, clothing, education and medical care.

## SAMARITAN VILLAGE ORPHANAGE AND MEDICAL CLINIC

Rescuing and Providing a Home for Orphaned, Abandoned and Trafficked Children

## THE FUTURE LOOKS BRIGHT!

### Success stories

Every child who comes to Samaritan Village has a story. And every story is a tragic one. All are stories of abandonment. Each is a story of neglect and many are stories of abuse, some even of horrible exploitation. They are stories that offer no hope for the future or at best a future that will be lived in the shadow of the trauma they suffered as a child.

But at Samaritan Village, the promise that God gives to every one of us is being realized in the lives of the children growing up here. In Jeremiah 29:11 we are told "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

If you ever have a chance to visit the orphanage, you'll see this promise being fulfilled in the lives of these children. You'll see their faces lit up with joy. You'll see them laughing and playing. You'll see them full of love for each other and especially for you because you've come to visit them!

None of this would be possible if it weren't for the generosity of those who volunteer or pray or give or do all three to support what has been happening here for close to thirty years!

And, if you're wondering what happens to these children when they leave the orphanage, check out the **SUCCESS STORIES** page on the website. You'll see children who grew up at the orphanage who are attending colleges and universities or who are now doctors or lawyers or married with beautiful families as well many more who are all living successful lives!

### Looking to the Future

### New dorm use and Hospital

We wrote about the new plans for our current three story dorm/medical clinic and the addition of a new three story hospital in our last newsletter. We have some more details about the plan and ways we all can help.

First, the total cost of the first floor of the new hospital will be \$280,000. This includes the three story building itself along with the completed first floor. It also includes all the medical equipment, beds, etc. needed to open and operate the hospital.

Once the hospital opens it will continue to provide free medical care for the children and low cost or no cost care for the community. There will also be opportunities for contracts with local companies that will make the hospital its sole provider. The income from these contracts and the community will fund the completion of the remaining two stories of the hospital.

We will continue to use 100% of the funds from sponsors and donors to the orphanage for the care of the children. That will never change.

Our plan is to share our vision for the hospital and new dorm with our local community and to reach out to others through social media and this newsletter.

We will ultimately be hosting a one day fund raising event in the Spring of 2025.

A THANK YOU from JOSEPHAT

Dear Samaritan Friends,  
I would like to thank all of you for your support since January 2024.  
**CHILDREN**  
The children are doing well and they will all start to do their last exams to finish the first semester. School will be closed May 31st until July 1st 2024.  
**ACTIVITIES**

All activities going well, I thank God after long raining caused floods and in some areas people died but for Samaritan we are safe.

We have plenty of **bananas** so we sell some to communities around us.

**VOLUNTEERS**

I would like to thank all volunteers for the good work they do daily in our Medical clinic and helping children especially infants.

Special thanks for the volunteers who helped to paint our preschool and family of Ruth Andersen for making level our preschool area. Keith O’Gara and his daughter Ann, Reva McDowell for her support, Florence Makanza, Joannie Bianchini (Liaison International), Linda and St. Joseph College students from Australia, Shweta Punjani, a group of Volunteers from Germany. Also, Nancy and George from the USA for their support. Many thanks for the students from Grand Valley University under Lisa Kasmir for their volunteer work for May 2024.

Many thanks for everyone who is praying and helping Samaritan Children. May God bless you.

A Child is returned to Her family

Whenever children are abandoned, there is always a police investigation. Often the investigation continues after the child has been placed at the orphanage. If the mother is located, she is placed into custody. After that, an attempt is made to find a relative who can take the child. This is what happened with Preasures who was brought to Samaritan Village on March 28th of this year. She was returned to her grandfather the first week of June while her mother remains in jail.

URGENT Prayer Requests

- Please pray for “small Esther” who has been diagnosed with blood cancer. Young Esther was brought to the orphanage on May 7, 2022. She is 12 years old
- Please pray for Lisa. She is now in a special school to meet her needs. She has not spoken since she arrived at the orphanage on July 7, 2020. She is 5 years old
- Please continue to pray for Preasures who has been under the doctor’s care since arriving at the orphanage and is now with her grandfather.

James 1:27 Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world.

Volunteers at Samaritan Village

One of the visitors who came was a wonderful family from Idaho. The Andersen’s volunteered at the orphanage in May. They were planning a vacation and had already arranged to do work at another ministry site in Arusha but still had some extra time. They asked if they could volunteer at Samaritan Village and, of course, we were glad to have them come.

Here’s what the Andersen family wrote. . .  
“We enjoyed our time we spent at the orphanage. We loved the children and everyone was so kind. Hopefully the work we got done was helpful! Hope we get to go back someday!”

Intern Medical Staff include Physician Interns including Dr. Simon Samaritan (who grew up at the orphanage) as well as two Nurse/Midwives

Other groups are mentioned in Josephat’s thank you letter. All of them helped immensely and we’re sure they were all blessed even as they were a huge blessing to the children.

If you or someone you know would like to volunteer, contact us through the website or by email.

We’ll help you plan your visit any time of the year.

Have a Representative Speak

Samaritan Village is a non-denominational Christian Orphanage. We have some very generous churches and individuals, including our child sponsors, who regularly support us. However, we welcome new churches and organizations who would like us to share with its members the life-changing experience of helping us rescue and provide a home for the little ones who really are **the least of these**.
